DONGLE MODEL NO: LS50XTX

FCC ID: 2AGZW06430 **IC:** 21203-06430

HEADSET MODEL NO: LS15X RX

FCC ID: YFK-1520233AA **IC:** 9246A-1520233AA

MANUFACTURER: BENSUSSEN DEUTSCH & ASSOCIATES, LLC (BDA, LLC)
15525 WOODINVILLE-REDMOND RD. NE WOODINVILLE, WA 98072

RF FREQUENCY: 2.40335 GHz TO 2.47935 GHz

OUTPUT POWER: TX = 5.83dBm RX = 1.5dBm

INPUT POWER: DC 3.7V, 1050mAh

MADE IN CHINA

FCC STATEMENT

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

WARNING: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/ TV technician for help.

FCC Caution: To assure continued compliance, any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate this equipment. (Example - use only shielded interface cables when connecting to computer or peripheral devices).

FCC Radiation Exposure Statement:

This equipment complies with FCC RF radiation exposure limits set forth for an uncontrolled environment.

This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

CAN ICES-3(B)/NMB-3(B)

This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions:

1. This device may not cause interference;
2. This device must accept any interference, including interference that may cause undesired operation of the device.

This equipment complies with IC RSS-102 radiation exposure limit set forth for an uncontrolled environment.

BATTERY WARNING

Do not attempt to replace the rechargeable battery yourself- you may damage the battery, which could cause overheating, fire, and injury. The Lithium-ion battery in your device should be serviced or recycled by PowerA or an authorized provider and must be recycled or disposed of separately from household waste. Dispose of batteries according to your local environment laws and guidelines.

Do not use or leave the product containing rechargeable batteries exposed to very high temperature (e.g. at strong direct sunlight or in a vehicle in extremely hot weather). Otherwise, it can overheat, catch fire, or the performance will degenerate, and the service life will be shortened.

Do not use the rechargeable battery item in a location where static electricity is rich, otherwise, the internal safety devices may be damaged, causing a harmful situation.

In case the electrolyte gets into the eyes due to the leakage of battery, do not rub eyes! Rinse eyes with clean running water and seek medical attention immediately. Otherwise, it may injure eyes or cause a loss of sight.

If the battery gives off an odor, generates heat, or in any way appears abnormal during use, recharging or storage, immediately remove it from battery charger and place it in a sealed vessel such as a metal box.

Be aware discarded batteries may cause fire, do not heat the product or throw it into fire.

EU DECLARATION OF CONFORMITY

Hereby, Bensussen Deutsch & Associates LLC at 15525 Woodinville-Redmond Road NE, Woodinville, WA 98072 USA is marketing this device under the brand name LucidSound and declares that this wireless headset is in compliance with Directive 2014/53/EU. The full text of the EU Declaration of Conformity is available at the following internet address:

LucidSound.com/EUDOC

WEEE (Waste Electrical and Electronic Equipment Directive)
If you eventually want to dispose of this product at a later time, please observe the following instructions: Electronic equipment should not be disposed of together with household waste. Please recycle the device if the appropriate recycling ways are available to you. Please contact your local authority or retailer and ask them for advice on recycling.

RoHS
This product has been certified as RoHS compliant in accordance with Directive 2011/65/CE.

USA and worldwide: One year limited warranty
Europe: Two year limited warranty
For warranty details or support with your LucidSound products, please visit LucidSound.com/warranty

Australia
Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a 1 year replacement warranty in which you are entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

What you must do:
If a defect has appeared within 90 days from the date of purchase, the product may be returned to the retailer for a replacement.

If a defect has appeared after 90 days from the date of purchase, you must initiate a repair by following the online repair process at www.LucidSound.com.au.

Once all details are completed, you will receive a return authorisation number. Then, label and ship your LucidSound headset – including the return authorisation (RA) number, freight prepaid, to LucidSound's authorised repair centre.

LucidSound
c/o Tecworks International Pty Ltd
Unit 1 / 12 Tollis Place
Seven Hills NSW 2141

Please ensure the return authorisation (RA) number is prominently displayed on the outside of your packaging. The cost incurred to return the product to the retailer or to the authorised repair centre as part of a Warranty claim are your responsibility.

What we will do:
During the Warranty Period, we will, at our option, repair or replace the product or any defective parts. We will also bear the reasonable costs of standard return shipping. If this cannot be done, then we will refund the purchase price to you.

MODÈLE DE DONGLE: LS50XTX
FCC ID: 2AGZW06430 **IC:** 21203-06430
MODÈLE DE CASQUE: LS15X RX
FCC ID: YFK-1520233AA **IC:** 9246A-1520233AA

FABRICANT: BENSUSSEN DEUTSCH & ASSOCIATES, LLC (BDA, LLC)
15525 WOODINVILLE-REDMOND RD. NE WOODINVILLE, WA 98072

FRÉQUENCE RF: 2.40335 GHz TO 2.47935 GHz
PUISSANCE DE SORTIE: TX = 5.83dBm RX = 1.5dBm
LA PUISSANCE D'ENTRÉE: DC 3.7V, 1050mAh
FABRIQUÉ EN CHINE

DÉCLARATION DE LA FCC

Cet appareil est conforme à la partie 15 de la réglementation de la FCC. Son utilisation est soumise aux deux conditions suivantes :

1) cet appareil ne doit pas provoquer d'interférences nocives, et 2) il doit pouvoir supporter tout type d'interférences, y compris celles susceptibles de provoquer un fonctionnement indésirable.

AVERTISSEMENT : Toutes modifications apportées à cet appareil et non expressément approuvées par la partie responsable de la conformité peuvent annuler l'autorisation de l'utilisateur pour utiliser cet équipement.

REMARQUE : Cet équipement a été testé et est conforme aux limites des appareils numériques de la classe B, conformément à la partie 15 de la réglementation de la FCC. Ces limites sont destinées à assurer une protection raisonnable contre les interférences nuisibles dans un environnement résidentiel. Cet équipement génère, utilise et peut émettre de l'énergie à haute fréquence (HF) et, s'il n'est pas installé et utilisé conformément aux instructions, peut provoquer des interférences nuisibles aux communications radio. Cependant, rien ne garantit qu'aucune interférence ne se produira dans une installation donnée. Si cet équipement provoque des interférences nuisibles à la réception de la radio ou de la télévision, ce qui peut être vérifié en mettant l'équipement hors tension puis sous tension, l'utilisateur est invité à essayer de corriger ces interférences en prenant une ou plusieurs des mesures suivantes :

- Réorienter ou déplacer l'antenne de réception.
- Augmenter la distance entre l'équipement et le récepteur.
- Connecter l'équipement à une prise d'un circuit électrique différent de celui sur lequel est branché le récepteur.
- Consulter le revendeur ou un technicien spécialisé en radiotélévision.

CAN ICES-3(B)/NMB-3(B)

L'émetteur/récepteur exempt de licence contenu dans le présent appareil est conforme aux CNR d'Innovation, Sciences et Développement économique Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes :

1. L'appareil ne doit pas produire de brouillage;
2. L'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

Cet équipement est conforme aux CNR-102 d'Industrie Canada.

AVERTISSEMENT CONCERNANT LES BATTERIES

N'essayez pas de remplacer vous-même la batterie rechargeable, vous pourriez l'endommager et ainsi entraîner une surchauffe, un incendie et des blessures. La batterie lithium-ion de votre appareil doit être révisée ou recyclée par PowerA ou un fournisseur agréé. Elle doit être recyclée ou mise au rebut séparément du reste des ordures ménagères. Débarrassez-vous des batteries conformément aux lois et directives locales relatives à l'environnement.

N'utilisez pas et ne laissez pas le produit contenant des batteries rechargeables exposé à de très fortes températures (par exemple, à la lumière directe du soleil ou dans un véhicule lors de conditions météorologiques très chaudes). Si tel est le cas, le produit peut surchauffer, prendre feu, ou ses performances peuvent diminuer, réduisant ainsi sa durée de vie.

N'utilisez pas l'appareil contenant une batterie rechargeable dans un environnement chargé en électricité statique, cela pourrait endommager la sécurité interne de l'appareil et exposer à des dangers.

Si l'électrolyte entre en contact avec vos yeux en raison d'une fuite de la batterie, ne les frottez pas ! Rincez-les avec de l'eau et consultez immédiatement un médecin. Cela pourrait abîmer vos yeux ou entraîner une perte de vision.

Si la batterie émet une odeur, génère de la chaleur, ou semble d'une manière ou d'une autre anormale en cours d'utilisation, de recharge ou de stockage, retirez-la immédiatement du chargeur et placez-la dans un contenant scellé, tel qu'une boîte en métal.

N'oubliez pas que des batteries usagées peuvent entraîner un incendie, ne chauffez pas la manette et ne la jetez pas dans un feu.

FATTO IN CINA

AVISO RELATIVO ÀS BATERIAS
Não tentes substituir a bateria recarregável – poderás danificá-la, o que poderá provocar um sobreaquecimento, um incêndio e ferimentos. A bateria de iões de lítio do teu dispositivo deve ser substituída ou reciclada pela PowerA ou por um fornecedor autorizado e tem de ser reciclada ou eliminada de forma separada do lixo doméstico. Elimina as baterias de acordo com as leis e as orientações locais relativas ao ambiente.

Não utilizes nem deixes o produto com baterias recarregáveis expostas a uma temperatura muito elevada (por exemplo, expostas a luz solar direta ou num veículo em tempo extremamente quente). De outro modo, o produto pode sobreaquecer, incendiar-se ou o seu desempenho irá deteriorar-se e o ciclo de vida útil será reduzido.

Não utilizes o dispositivo com uma bateria recarregável num local rico em eletricidade estática, de outro modo, os componentes de segurança internos podem ser danificados, provocando uma situação prejudicial.

Caso o eletrólito entre em contacto com os olhos devido a fuga da bateria, não esfregues os olhos! Lava os olhos com água limpa corrente e procura assistência médica de imediato. De outro modo, poderás causar lesões nos olhos ou perda da visão.

Se a bateria libertar um odor, gerar calor ou parecer de algum modo anormal durante a utilização, o recarregamento ou o armazenamento, retira-a imediatamente do carregador de bateria e coloca-a num recipiente selado, tal como uma caixa de metal.

Tem em atenção que as baterias eliminadas podem causar um incêndio, não aqueças o comando nem o atires para o fogo.

DECLARACIÓN DE CONFORMIDAD DE LA UE

CE

A Bensussen Deutsch & Associates LLC, sita em 15525 Woodinville-Redmond Road NE, Woodinville, WA 98072 EUA está a promover este dispositivo sob a marca LucidSound e declara que os auscultadores sem fios se encontram em conformidade com a Diretiva 2014/53/UE. O texto integral da Declaração de Conformidade da UE encontra-se disponível no seguinte endereço: LucidSound.com/EUDOC

 **RAEE** (Directiva sobre resíduos de aparatos eléctricos y electrónicos)
Si finalmente desea desechar este producto más adelante, tenga en cuenta las siguientes instrucciones: El equipo electrónico no se debe tirar junto con la basura doméstica. Recicle el dispositivo si dispone de las formas de reciclaje adecuadas. Comuníquese con su autoridad local o minorista y solicite asesoramiento sobre reciclaje.

RoHS
Este producto ha sido certificado como RoHS conforme a la Directiva 2011/65 / CE.

Estados Unidos y en todo el mundo: Garantía limitada de un año
Europa: Garantía limitada de dos años
Para obtener detalles de la garantía o asistencia con sus productos LucidSound, visite LucidSound.com/warranty

Garantia: Austrália
Os nossos artigos são fornecidos com garantias que não podem ser excluídas ao abrigo da Lei do Consumidor australiana. Tens direito à substituição durante um ano, durante o qual tens direito à reparação ou substituição do artigo se este não apresentar qualidade aceitável e a falha não for considerada como avaria grave.

O que debes fazer:
Se surgir um defeito no prazo de 90 dias a partir da data de compra, o produto pode ser devolvido ao retalhista para ser substituído.

Se surgir um defeito após 90 dias a partir da data de compra, deves iniciar uma reparação seguindo o processo de reparação online em www.lucidsound.com.au.

Assim que todos os detalhes estiverem concluídos, receberás um número de autorização de devolução. Depois, etiqueta e envia os teus auscultadores LucidSound (incluindo o número de autorização de devolução (RA - Return Authorisation) e frete pré-pago) para o centro de reparação autorizado da LucidSound.

LucidSound c/o Tecworks International Pty Ltd Unit 1 / 12 Tollis Place Seven Hills NSW 2141

Certifica-te de que o número de autorização de devolução (RA) fica exibido de forma clara no exterior da tua embalagem. Os custos incorridos para devolveres o produto ao retalhista ou ao centro de reparação autorizado como parte de um pedido de garantia são da tua responsabilidade.

O que vamos fazer:
Durante o Período de Garantia, repararemos ou substituiremos, ao nosso critério, o produto ou quaisquer peças com defeito. Também suportaremos os custos razoáveis do transporte padrão de retorno. Se tal não puder ser feito, iremos reembolsar-te o preço de compra.
